V. P. of Government Service for Stoltenberg Consulting Selected as Member of HIMSS 2011 Public Policy Committee

Pittsburgh, PA, December 1, 2010 - Stoltenberg Consulting, Inc., a leading healthcare industry information technology consulting firm, announced today that Shane Pilcher, FHIMSS, Vice President of Government Service for the company, has been appointed to the HIMSS 2011 Public Policy Committee.

Pilcher, 20-year Navy veteran, is one of Stoltenberg's top consultants and has been with the company for eight years. As part of the Public Policy Committee, he will assist HIMSS in meeting its primary advocacy focus of providing leadership and industry direction on healthcare issues and policy in order to remove barriers and enable implementation of solutions. Pilcher also recently attained Fellow member status with HIMSS, chosen after meeting several criteria based on professional capability, experience, leadership and service to his profession and the society.

"Shane's dedication to not only his work but also our country makes him an extremely valuable member of the Stoltenberg team," commented Sheri Stoltenberg, CEO of Stoltenberg Consulting. "His inclusion in the Public Policy Committee is another indication of the leadership and expertise he brings to the healthcare industry."

About Stoltenberg Consulting

Founded in 1995, Pittsburgh-based Stoltenberg Consulting Inc. creates an environment for success by working with health care organizations to provide a variety of services including project management, implementation support and integration between systems. Members of the Stoltenberg Consulting team are consultants with extensive experience in both financial and clinical systems, averaging more than 15 years of direct on-site hospital experience. Stoltenberg Consulting has grown rapidly to serve a client base of more than 100 preeminent healthcare organizations throughout the United States providing services for Siemens, McKesson, GE, Meditech, Epic, Cerner, Nextgen, Allscripts and Zynx customers.
